

ILLUSTRATED LECTURE

BY FRANK DOWDING

7.00~9.00 PM, THURSDAY, 4TH OCTOBER 2018

Candle Museum and Frossard Lecture Theatre

Free admission

In conjunction with **Guernsey Photography Festival**, this will be an evening of photographic and scientific presentation of Mars. The evening will begin with a visit to Xavier Barral's *Mars: A Photographic Exploration* presented by Jean-Christophe Godet (Festival Director) in the Candle Museum.

This will be followed by an illustrated lecture by Frank Dowding in the lecture theatre.

Frank Dowding is the Mars and Solar system expert from La Société Guernesaise's Astronomy Section. Frank is one of three founding members of the Astronomy Section and is a past Secretary. For many years, he coordinated the Astronomy Section's many outreach activities including Open Evenings, School and Youth Group visits. He has a lifelong interest in Astronomy and Space Science. He is a former engineer and has an Open University Science degree.

Presented by the Astronomy Section, La Société Guernesaise
